A prairie fire occurred near Berea Mon-
day, the grass being set on fire from an
engine. A large part of G. W. Nation's
range is said to have been destroyed by it,
and a portion of Arthur Grove's, also. The
latter came near losing his property by the
fire, it being saved only by hard fighting on
the part of himself and his neighbors. A
force from Alliance was sent up to assist
them, but they arrived too late to be of
help to them. A number of small fires
have been reported throughout this section.

A list of the winners in the prize photo-
graphic contest recently held by the Bur-
lington, is given in a folder the company
has mailed throughout the country, in
which H. A. Mark of this city is tenth in

Six hundred and fifteen entered the con-

tioned Mr. Mark's winning the prize of a

contest. Trip tickets to any point may be
exchanged for any other ticket of equal
value.

LAND ENTRIES SUSPENDED.

Colonel Mosby Finds Chicago Women Hold-
ing Lands for Cattle Companies.

WASHINGTON, D. C., Nov. 5.—The in-
terior department has suspended with a
view of cancellation a large number of al-
leged fraudulent land entries in Nebraska,
made by soldiers' widows, who it is charged
have entered into an agreement for the
transfer of the lands to cattle companies.
W. N. Lesser of Iowa, a special agent,
whose headquarters have been for several
years at North Platte, Neb., has been sus-
pended in connection with these proceed-
ings. The action follows an investigation
that had been quietly conducted in Ne-
braska by Col. John S. Mosby, a special
agent of the general land office.

The exact extent of these operations is
not disclosed, but so far as known there is
forty-five or fifty of them, each entry be-
ing for 160 acres. The government re-
cently has been enforcing its regulations
for the removal of fences erected by cattle-
men on public lands. Under the laws, sol-
diers' widows have a right to make entries
of public lands without any residence re-
quirements, but they are required to make
improvements and cultivate the lands. It
is understood that the women who made
the entries are mostly Chicago people who
were influenced to take these steps by the
agents of cattlemen, with an agreement to
transfer the land to the latter by leases,
with the right to purchase.

It is reported that Colonel Mosby will
return to Alliance in the near future and
it is predicted that the Alliance editors
who lambasted him after his departure
will be seeking shelter when Mosby lands
in Alliance.

WANTS NEW TRIAL.

No Less Than 292 Specific Assignments
of Error Are Made.

The Lincoln News of Tuesday publishes
the following:

In the bill of exceptions filed yesterday
in the supreme court in the case of August
Jahnke, sentenced from Box Butte county
on a charge of having hired Oliver Olson
to murder Michael Sierck in order that the
accused might enjoy the old man's fortune,
no less than 292 specific assignments of
error are made. It appears from the record
that after his arrest Jahnke was taken to
York county for safe keeping and that
while he was there an effort was made to
secure his release upon a writ of habeas
corpus. The York county court found that
it had no jurisdiction and dismissed the
application, from which finding defendant's
counsel appealed. This appeal was never
adjudicated, and now it claimed that the
Box Butte court erred in assuming juris-
diction in the case while that appeal was
pending.

It is also alleged that after Olson had
confessed the court erred in throwing pro-
tection around him and preventing counsel
for the defendant from talking to him
about his confession.

Several assignments of error are based
on allegations that the jury which tried
Jahnke had reported at the end of forty-five
hours that it was unable to reach an agree-
ment, but that the judge compelled it to
continue its deliberations for 153 hours in
an improper room; that it was taken three
times a day to its meals, a distance of five
blocks along the streets of Alliance while

they were crowded with enemies of the de-
fendant threatening lynching in tones that
could be heard by the jurors and that one
of the jurors said in the jury room that if
an agreement was not reached some one
would shoot into the jury room.

A DISTRESSING ACCIDENT.

Brakeman W. P. Baschky Killed at
Whitman Tuesday Morning.

A distressing accident occurred on this
division of the Burlington at Whitman
Tuesday morning near 5 o'clock when a
brakeman, Peter W. Baschky, was run
over by an eastbound extra stock train.
He left here last Saturday on a freight and
at Ravenna started back on an extra. At
Whitman he was sent forward to flag the
stock train and it is supposed that he fell
asleep or fainted upon the track. He had
been continuously on duty with almost no
sleep since leaving Alliance and it there-
fore seems probable that sleep or weariness
overcame him. Engineer Hagerman,
of the train which ran over him says as
the train approached him he raised his
head from the track but was unable to get
off and he was so close to the engine it
could not be stopped in time to save him.
He was hurled several feet from the track,
the body being considerably mutilated and
head crushed. The remains were brought
here Tuesday night to George Darling's
undertaking rooms and prepared for burial
before shipment to Crawford where his
parents reside. Besides them, he leaves
four brothers and a sister to mourn his
untimely death. One of his brothers, J. J.
Baschky, is a fireman running out of this
city.

Mr. Baschky had been the victim of
two other accidents on the road. Several
months ago he got his arm hurt and
lost two or three fingers and the last
week in July of this year when going for-
ward to deliver an order he slipped and
fell and would have been killed had he
not in falling grasped the pilot bar and
saved himself, though at the cost of being
dragged about fifteen miles before a station
was reached. He was about twenty-two
years old.

A Pretty Wedding.

A pretty wedding occurred at the home
of Mr. and Mrs. R. T. Watson last Sun-
day evening when their daughter, Delia,
was married to Royston C. Strong, in the
presence of a few relatives and close
friends of the family.

At 9 o'clock, to the strains of the wedding
march, the bridal pair took their places
under a bower of filmy lace with flowers
and vines intertwined and the words were
spoken which united their lives. The Rev.
M. L. Sanders performed the ceremony in
a most impressive manner.

The bride wore white silk and carried
white flowers. The groom wore the
customary black. After congratulations
the company partook of the wedding feast
while strains of soft music pleased the ear.
A most enjoyable hour of social converse
followed and the guests departed with
many happy expressions on the beauty and
simplicity of the quiet little wedding.
Elegant presents were received.

The bride and groom are among our
best known and most highly esteemed
young people and the good wishes of a
host of friends go with them to their new
home in Lincoln.
